Candidate Ethics Action Pledge

If elected to the office I seek, I commit myself to being an advocate for ethical practices within my realm of responsibility. Specifically, I pledge to making **formal ethics training** available to all employees subject to my authority. Further, I will promote and support policies and procedures that include an **Ethics Code** reflecting the spirit of the Code of Shared Ethics and Values of the Shared Ethics Advisory Commission. (Text of the Code can be found at www.sharedethics.com at the “Information Center” link).

In addition, I will advocate for and support adoption of **enforcement procedures** which permit employees to raise ethical concerns in a manner **protecting them from retribution**.
